Doc No: PDCH/AP/11/2022	Version: 03	Date of Issue: 10/11/2022

or

Any other examination which, in scope and standard is found to be equivalent to the intermediate science examination of an Indian university/board, taking physics, chemistry and biology including practical test in each of these subjects and English.

NOTE:

Marks obtained in mathematics are not be considered for admission to bds course. after the 10+2 course is introduced, the integrated courses should be abolished.

SELECTION OF STUDENTS:

The selection of students to dental college shall be based solely on merit of the candidate and for-determination of the merit, the following criteria be adopted uniformly throughout the country:

In states, having only one dental college and one university board/examining body conducting the qualifying examination, the marks obtained at such qualifying examination may be taken into consideration;

In states, having more than one university/board/examining body conducting the qualifying examination (or where there is more than one dental college under the administrative control of one authority) a competitive entrance examination should be held so as to achieve a uniform evaluation as there may be variation of standards at qualifying examinations conducted by different agencies;

All the admissions to the college must be done according to the seat matrix given by the government of Tamil Nadu. The university shall not register those candidates who have not been admitted according to the seat matrix prescribed by the government.

The candidates who have passed the higher secondary examination (plus two) from the boards other than the state board of higher secondary examinations of the government of Tamilnadu have to submit the eligibility issued by The Tamil Nadu Dr M.G.R Medical University before joining the institution.

NON-RESIDENT INDIAN/FOREIGN NATIONALS

15% of total seats in self-financing colleges can be filled according to the guidelines of government of Tamil Nadu G.O. ms.no.346, dated 19.10.2009.

MIGRATION:

Migration from one dental college to other is not a right of a student. However, migration of students from one dental college to another dental college in India may be considered by the dental council of India. Only in exceptional cases on extreme compassionate ground*, provided following criteria are fulfilled. Routine migrations on other ground shall not be allowed.

Both the colleges, *i.e.*, one at which the student is studying at present and one to which migration is sought, are recognized by the dental council of India.

The applicant candidate should have passed first professional BDS examination. The applicant candidate submits his application for migration, complete in all respects, to all authorities concerned within a period of one month of passing (declaration of results) the first professional bachelor of dental surgery (BDS) examination.

The applicant candidate must submit an affidavit stating that he/she will pursue 240 days of prescribed study before appearing at IInd professional bachelor of dental surgery (BDS) examination at the transferee dental college, which should be duly certified by the registrar of the concerned university in which he/she is seeking transfer. the transfer will be applicable only after receipt of the affidavit.

Note 1:

Migration is permitted only in the beginning of IInd year BDS courses in recognized institution.

All applications for migration shall be referred to Dental Council of India by college authorities. No institution/university shall allow migrations directly without the prior approval of the council.

Dental Council of India reserved the right, not to entertain any application which is not under the prescribed compassionate grounds and also to take independent decisions where applicant has been allowed to migrate without referring the same to the council.

Note 2:

*Compassionate ground criteria:

Death of supporting guardian.

Disturbed conditions as declared by Government in the Dental college area.
