To

The General Manager  
Aavin Milk: Kakkalur Chilling centre  
Kakkalur Industrial Estate  
Thiruvallur

Respected sir,

Sub: [Reg. Request for permission to visit Aavin Milk: Kakkalur Chilling Centre]

I am writing to seek your permission for a field visit to the Aavin Milk Chilling Centre, Kakkalur. This field visit aims to familiarize our students with the operations and processes involved in the production and distribution of dairy products. We believe that a visit to the Aavin Milk Booth will offer valuable insights into the dairy industry and enhance our student's understanding of the importance of dairy products in their daily lives.

We assure you that the visit will be conducted in an organized and disciplined manner, with utmost respect for the facilities and staff at the Kakkalur Chilling centre. We also ensure that the students adhere to all safety regulations and guidelines during the visit.

Thank you for considering our request and we look forward to your positive response.

Yours Sincerely

**AAVIN CHILLING CENTRE**

**REPORT**

**INTRODUCTION**

Priyadarshini Dental College and Hospital conducted the field visit to Aavin Milk Chilling Centre in Kakkalur Town Panchayat on 06.04.23 (Thursday) from 9.30 am to 1.30 pm. 249 students and three faculty members participated in the program.

The field visit was done to learn about milk sterilization and recycling. The visit was an enriching experience that provided valuable insights into the intricate processes involved in milk production and its transformation into various products. The company's dedication to sustainability, innovation, and quality made a lasting impression and highlighted the importance of the dairy business to the food and beverage industry. This visit has deepened the understanding of industrial operations and its alignment with consumer demands and environmental considerations.

**KEY TAKEAWAYS**

1. **Quality control:** Strict quality control procedures are necessary to guarantee the uniformity and safety of dairy products.
2. **Technological developments:** the effective and high-quality milk processing and packaging achieved by incorporating cutting-edge technologies.
3. **Regulatory compliance:** food safety and quality requirements must be followed to maintain consumer trust.

## PRIYADARSHINI DENTAL COLLEGE AND HOSPITAL

(Approved by Dental Council of India, New Delhi & Affiliated to The Tamilnadu Dr. M.G.R Medical University, Chennai - 32.)

- **Aavin** is a State Government Cooperative under the ownership of Tamil Nadu Cooperative Milk Producers Federation Limited (TNCMPFL), Ministry of Cooperation, Government of Tamil Nadu and the trademark of TNCMPFL. Aavin procures milk, processes it and sells milk and milk products to consumers.
- The Dairy Development Department was established in the year 1958 in Tamil Nadu to oversee and regulate milk production and commercial distribution in the state.
- The Dairy Development Department took over control of the milk cooperatives. It was replaced by the Tamil Nadu Cooperative Milk Producers Federation Limited in the year 1981.
- On 1 February 1981, the commercial activities of the cooperative were handed over to TNCMPFL which sold milk and milk products under the trademark "Aavin".
- Tamil Nadu is one of the leading states in India in milk production with about 14.5 million litres per day and currently has 1 crore daily consumers.

### DETAILS OF JOURNEY

Priyadarshini Dental College and Hospital conducted the industrial visit to Aavin Chilling Centre in Kakkalur Town Panchayat.

The visit was organized by the Department of Public Health Dentistry. The participating students are accompanied by the following faculty members.

1. Dr.Gnanambigai (Department of Oral Pathology)
2. Dr. Sasikala (Department of Public Health Dentistry)
3. Dr. Kishore (Department of Pedodontics).

Faculty members and students were received by the Manager, Mr. Anjaneya Prasad, and were oriented on how the milk was collected from the society centers. Later they were explained about how the milk is heated and stored in the storage room for later use.

Then the students were taught about the pasteurization method which included,

- Three types of milk such as standardized milk, toned milk and full-creamed milk.

**PRIYADARSHINI**  
DENTAL COLLEGE AND HOSPITAL

(Approved by Dental Council of India, New Delhi & Affiliated to The Tamilnadu Dr. M.G.R Medical University, Chennai - 32.)

- The milk was initially heated up to 72.2 degrees Celsius through the process of heat exchange.
- Later they pass through various stages such as the regeneration section, heat injection, and finally through a chilling section.

Packing, storage procedures, and various color coding for the three types of milk were explained. In addition, ghee and guava sweet making are also detailed.

Finally, quality assurance procedures for

- How to determine adulterated milk through Lactoscope.
- How to determine the shelf life through the Methylene blue reduction test.
- Other procedures such as semi-centrifuge and water bath

In detail, milk sterilization and recycling were also explained.

### GROUP OBSERVATION

The field visit was beneficial to the students to learn about sterilization and recycling. They got knowledge about the quality of

- Milk production,
- Transformation,
- Pasteurisation,
- Quality control,
- Adulteration testing,
- packing,
- Storing,
- Sterilisation,
- Recycling.

Sir,

Sub: [Reg. Requesting permission to visit Chembarambakkam Lake.]

I am writing on behalf of our students to seek your permission for a field visit to Chembarambakkam Lake. Our college places a high emphasis on outdoor and experiential learning, and we believe that visiting Chembarambakkam Lake will provide our students with valuable insights into environmental conservation and the importance of preserving natural resources. Our students will be educated about the significance of preserving natural habitats, and we will encourage them to adopt responsible behavior during the visit. Thank you for considering our request and we look forward to your positive response.

Yours Sincerely,

  
Dr. B. Sivapathasundharam

## CHEMBARAMPAKKAM LAKE

### POST-EVENT REPORT

#### Introduction:

Priyadarshini Dental College and Hospital conducted the field visit to Chembarambakkam Lake on 19.01.23 (Thursday) from 9.30 am to 1.30 pm. 25 students and one faculty member participated in the program.

The primary aims and objectives of the tour, including evaluating the state of the lake, its water quality, and any potential environmental issues

#### INDEX

- Lake details
- Details of the journey.
- Group observation
- Conclusion

#### Lake details:

- About 25 kilometres from Chennai, in the Indian state of Tamil Nadu, is the lake known as Chembarambakkam Lake.
- It is one of the two rain-fed reservoirs from which water is obtained by Chennai City.
- There are 26.03 metres (85.40 feet) in the full tank. The lake can hold 3,645 million ft<sup>3</sup> (108 million m<sup>3</sup>) at full capacity. The tank is at a height of 75.60 feet (23.04 metres) in feet.

#### DETAILS OF JOURNEY

The Department of Public Health Dentistry organized the visit. A total of 25 students were accompanied by Dr. Selvamani (Department of Public Health Dentistry). They were received

DENTAL COLLEGE AND HOSPITAL

(Approved by Dental Council of India, New Delhi & Affiliated to The Tamilnadu Dr. M.G.R Medical University, Chennai - 32.)

by the officer of the Chennai Metropolitan Water Sewage Training Centre division. The following things were explained during the visit

**Water Purity:**

- Evaluation of the colour, odour, and clarity of the water.
- Checking for contaminants, dissolved oxygen, and pH, among other parameters.

**Plant and Animal Life:**

Significant animal and plant species found in and around the lake.

**Facilities:**

Assessment of embankments, dams, and other water management-related constructions.

**Human Actions:**

Examine whether any human activities—such as fishing, rubbish disposal, or leisure pursuits—have an impact on the lake.

**Issues:**

Biodiversity, pollution and erosions

**CONCLUSION**

This visit was such an informative and awareness-provoking event for the students to learn about the preservation of natural resources and its environmental impact.

Dear Dr Sivapathasundaram,

*Greetings from Frontier Lifeline Hospitals (Dr. K. M. Cherian Heart Foundation).*

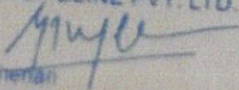

Thank you for your letter regarding the interns wanting to undergo observorship at our hospital. We would be happy to invite them in small batches of 2 students alongwith 1 tutor/doctor at a time starting from 12<sup>th</sup> June 2023, for a period of 5 days during which time they could be on rotation in the following departments:

- Out-Patient Department
- Wards
- Laboratory
- Cath lab
- Operation Theatre
- ICU/CCU
- CSSD

They can report to me at 9am on 12<sup>th</sup> June 2023 and we will work out for the future batches accordingly.

Please do not hesitate to call me for any clarifications.

## REPORT OF CLINICAL INTERNSHIP

Postings started on 12/06/2023. A delightful welcome and brief Orientation were given by eminent cardiologist, Dr. Sanjay Cherian Vice President and Consultant Cardiac Surgeon, D. K.M. Cherian Frontier Lifeline Hospital who propelled our excitement to the next level.

The posted members were provided with scrub and temporary Identity cards and directed to attend various departments. They were engaged in OPD, Echocardiography, ECG department, Treadmill, Blood bank, Department of Biochemistry, Department of Microbiology, CSSD, Museum, General Wards, AICU, CCU, Catheterization Lab and OT and had a chance to interact with some of the medical professionals including Doctors, Nurses, Senior technicians and Students as well, who patiently answered all their questions and equipped them with a great learning experience.

Dr. Paavai, Professor and Head, Dental Department at Frontier Lifeline detailed the case sheet of cardiac patients and provided them an opportunity to do dental treatment with appropriate prophylaxis.

Spectacular and Enlightening session at sophisticated operation theatre with Dr. Sanjay Cherian, Cardiologists, Physician assistants, Anaesthetists, Nurses and a few other health care professionals.

Further, our CRIs and faculty members had a golden opportunity to meet the founder of Frontier Lifeline Hospital, Padma Shri Dr. Cherian, who performed India's first coronary artery bypass surgery and first heart transplant. The Observership at Frontier Lifeline Hospital is an eye-opening educational experience that would provide a deeper understanding of how a super specialty hospital operates and how different departments work together to render quality healthcare

**Subject: Certification of observership as a part of PDCH interdisciplinary externship program**

Dear Sir,

I am writing to officially certify that students of Priyadarshini Dental College and Hospital (Dr. Yamini, Mr. Subash, Mr. Manoj, Dr. Divya, Ms. Devi Rithiya, Ms. Madhuri, Dr. Anitha, Mr. Naveen Gokul, Mr. Vivilyam Vallamai Raj) has successfully completed an observership program at Frontier Lifeline Hospital, as a part of PDCH interdisciplinary externship program. It took place in the month of June, 2023 and was a part of the academic curriculum designed to provide students with practical industry experience.

During the internship, all the students actively participated in various aspects of our operations, gaining valuable insights.

Subject: Certification of Student Exchange Activities for Research Purposes

Dear Sir,

I am writing this letter to officially certify that Priyadarshini Dental College & Hospital has been actively involved in student exchange activities with Center For Medical Genetics, for the purpose of collaborative research. This student exchange program aimed to provide valuable learning experiences for students and foster cross-cultural collaboration in the field of research.

Exchange Program Details: Purpose of Research

Program Name: PDCH interdisciplinary research program

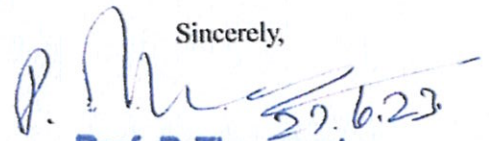

Duration: 2022-2023

Objective: Collaborative Research and Cultural Exchange

Thank you for the successful collaboration, and we look forward to the continued success of future student exchange programs and collaborative research endeavours.

REQUEST LETTER

Ref. No: PDCH/IND VISIT/ 02/2023

04.05.2023

From

Dr. Ganesh

Head of the Department

Department of Public Health Dentistry

Priyadarshini Dental College and Hospital

Pandur

To

The Principal

Priyadarshini Dental College and Hospital

Pandur

Respected Sir,

Sub: (Requesting permission for Industrial visit- Blossom Dental Lab- Reg)

This is to bring to your kind notice that our students are requesting to visit the Blossom Dental Lab, Arumbakkam, to learn about the dental laboratory procedures and equipment employed, on 20.05.23 (Saturday) from 9.30 AM to 1.30 PM. Kindly allow them for the industrial visit and permit them to utilize the college transport.

Thanking you

Yours sincerely

Dr. Ganesh R

Thiruvallur.

To  
The Blossom Dental Lab  
No 5, 4th St, Jai Nagar  
Arumbakkam,  
Chennai, Tamil Nadu 600106.

Sir,

Sub: Request permission to visit your dental lab).

I am writing on behalf of our students to seek your permission for a visit to the Blossom dental laboratory as an industrial visit. This would provide our students with valuable insights into the practical applications of the theoretical knowledge they have gained in their coursework. It also allows them to observe practical aspects of dentures and other restorations making procedures, equipment employed and technologies used.

We believe that this visit will greatly benefit our academic pursuits and would be a valuable addition to our education. We kindly request your approval and support for this trip. Thank you for considering our request.

Yours Sincerely

  
Dr. B. Sivapathasundharam

**BLOSSOM DENTAL LAB INDUSTRIAL VISIT**

**POST-EVENT REPORT**

**Introduction**

The primary objective of the industrial tour to Blossom Dental Lab was to provide students with a practical grasp of the workings of a state-of-the-art dental laboratory. The visit was intended to reduce the knowledge gap that arises between dental school theory and real-world application.

A total of 100 students visited the lab on 20.05.23 (Saturday) from 10.30 am to 1.30 pm. Faculty members Dr. Anjana and Dr. Pragathi accompanied them.

**Agenda**

**1. Introduction to Blossom dental lab**

- Overview of lab history, and essential values of the lab.
- A description of the main players in the company and their responsibilities.

**2. Lab tour:**

- A thorough tour of the whole dental lab building.
- A description of the many departments, such as quality control, digital dentistry, prosthetics, and ceramics.

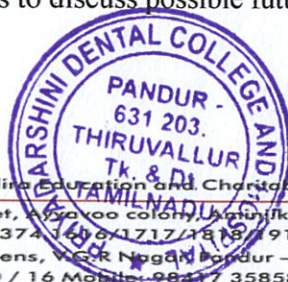

**3. Live demonstrations**

- a. Practical displays of the newest dental tools and technologies.
- b. A description of the dental prosthesis manufacturing process, from conception to finished item

**4. Interactive sessions and future collaborations:**

- Q&A sessions with professionals and technicians with expertise.
- Conversations about market trends, obstacles, and possibilities.
- Sharing contact details to discuss possible future partnerships and internships.

**Blossom dental lab profile**

**PRIYADARSHINI**  
DENTAL COLLEGE AND HOSPITAL

(Approved by Dental Council of India, New Delhi & Affiliated to The Tamilnadu Dr. M.G.R Medical University, Chennai - 32.)

- Blossom Dental Lab is a proprietorship firm that was established on October 1, 2010, and it has been in operation for 13 years and 3 months. Its registered office is at No. 5 Ground Floor, Jai Nagar, 4th Street, Arumbakkam, Tamil Nadu.
- Blossom Dental Lab primarily manufactures dental fillings and types of cement, except denture adhesive, cement, dental wax, and other dental plaster preparations. It also manufactures dental laboratory furnaces, dental instruments, artificial teeth bridges, and other dental lab-made items. Manufacturing is sub-classified into Other Manufacturing.
- Blossom Dental Lab's classification for the 2023–24 fiscal year is Microenterprise. Its headquarters are in Tamil Nadu's Arumbakkam.

**Details of the journey**

Priyadarshini Dental College and Hospital conducted the industrial visit to Blossom Dental Lab in Arumbakkam, Chennai.

The Department of Public Health Dentistry organized this visit. Dr. Anjana (Department of Conservative Dentistry) and Dr. Kishore (Department of Pedodontics) are the faculties accompanied the students.

They reached the lab around 11.30 AM where the Lab proprietor received them. As a batch of 15 to 20, they started to visit the dental lab.

Equipment shown and procedures explained as follows:

- CAD-CAM machine (which is used to prepare zirconia crowns)
- DMLS- Direct metal laser sintering machine (which is used to prepare metal-ceramic crowns).
- Procedures for making partial and complete dentures.
- Finishing-(trimming and polishing methods).

**PRIYADARSHINI**  
DENTAL COLLEGE AND HOSPITAL

(Approved by Dental Council of India, New Delhi & Affiliated to The Tamilnadu Dr. M.G.R Medical University, Chennai - 32.)

1. **Technological Advancements:** Students were introduced to state-of-the-art dental technology, such as digital scanning, 3D printing, and CAD/CAM systems.
2. **Quality Control Procedures:** Being aware of the painstaking steps taken to guarantee correctness and precision in dental prostheses.
3. **Industry Insights:** Information about the opportunities, difficulties, and present trends in the dentistry sector.
4. **Career counsel:** Students having an option about a career in the dental laboratory sector received helpful counsel from their interactions with industry specialists.
5. **Feedback:** Feedback from both the students and faculty members was overwhelmingly positive.

**Conclusion**

All of the participants found the industrial visit to Blossom Dental Lab to be a rewarding and instructive experience. It is anticipated that the knowledge the students get from the visit will improve their academic performance and help them in their future in dentistry.

Chennai, Tamil Nadu 600106.

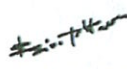

Sir,

Sub: Request permission to visit your dental lab).

I am writing on behalf of our students to seek your permission for a visit to the Blossom dental laboratory as an industrial visit. This would provide our students with valuable insights into the practical applications of the theoretical knowledge they have gained in their coursework. It also allows them to observe practical aspects of dentures and other restorations making procedures, equipment employed and technologies used.

We believe that this visit will greatly benefit our academic pursuits and would be a valuable addition to our education. We kindly request your approval and support for this trip. Thank you for considering our request.

Yours Sincerely

  
Dr. B. Sivapathasundharam

**BLOSSOM DENTAL LAB INDUSTRIAL VISIT**

**REPORT**

**Introduction**

The main goal of the industrial visit to Blossom Dental Lab was to provide students with a hands-on understanding of how a cutting-edge dental laboratory operates. The purpose of the visit was to close the knowledge gap that exists between classroom theory and practical implementations in the dental field.

A total of 78 students visited the lab on 14.10.22 (Friday) from 9.30 am to 1.30 pm. Faculty members Dr. Anjana and Dr. Selvamani, who helped to organize and ensure a seamless visit, accompanied them.

**Agenda**

**History and lab visit**

- Overview of lab history, and essential values of the lab.
- A description of the main players in the company and their responsibility
- A thorough tour of the whole dental lab building.
- A description of the many departments, such as quality control, digital dentistry, prosthetics, and ceramics
  - a. Practical displays of the newest dental tools and technologies.
  - b. A description of the dental prosthesis manufacturing process, from conception to finished item

**Interactive sessions**

- Q&A sessions with professionals and technicians with expertise.
- Conversations about market trends, obstacles, and possibilities.
- Sharing contact details to discuss possible future partnerships and internships.

**Blossom dental lab profile:**

(Approved by Dental Council of India, New Delhi & Affiliated to The Tamilnadu Dr. M.G.R Medical University, Chennai - 32.)

- Blossom Dental Lab is a proprietorship firm that was established on October 1, 2010, and it has been in operation for 13 years and 3 months. Its registered office is at No. 5 Ground Floor, Jai Nagar, 4th Street, Arumbakkam, Tamil Nadu.
- Blossom Dental Lab primarily manufactures dental fillings and types of cement, except denture adhesive, cement, dental wax, and other dental plaster preparations. It also manufactures dental laboratory furnaces, dental instruments, artificial teeth bridges, and other dental lab-made items. Manufacturing is sub-classified into Other Manufacturing.
- Blossom Dental Lab's classification for the 2023–24 fiscal year is Microenterprise. Its headquarters are in Tamil Nadu's Arumbakkam.

### Details of the journey

This visit was organized by the Department of Public Health Dentistry. Dr. Anjana (Department of Conservative Dentistry) and Dr. Selvamani (Department of Public Health Dentistry) are the faculties accompanied the students. The students were explained about various machines and procedures, they are

- How to prepare zirconia crowns using CAD-CAM machine.
- How to prepare metal-ceramic crowns using DMLS (Direct metal laser sintering machine)
- Procedures for making partial and complete dentures.
- Trimming and polishing methods.

### Key takeaways

1. **Technological recent advancements**
2. **Industry view**
3. **Career option.**

### Conclusion

All of the participants found the industrial visit to Blossom Dental Lab to be eye-opening and instructive experience. It is anticipated that the knowledge the students get from the visit will improve their performance in academics and practicals.

To,

Dr. B. Sivapathasundaram,

The Principal,

Priyadarshini Dental College & Hospital, Pandur.

Sub:- Appreciation Letter.

Dear Sir,

We the people of Chinmaya Mission showing our gratitude for sending the 73 students from the month of 24<sup>th</sup> July 2023, from your college to the satellite centre on the rotation basis for the treatment of the people staying here. It's been very helpful for us.

Thanking you

Yours faithfully
