(Approved by Dental Council of India, New Delhi & Affiliated to The Tamilnadu Dr. M.G.R Medical University, Chennai - 32.)

RESEARCH COMMITTEE

Priyadarshini Dental College and Hospital has an eminent Research Committee that exposes students to various research activities and also guides them to pursue all kinds of research. The main objective is to make students familiarize with the role of research, help them guide, and motivate them to pursue the same. The committee meets once every three months. It conducts workshops, seminars, and guest lectures to create knowledge and awareness of research among the students. It motivates students to implement novel ideas in the form of research, educates them on applying for grants, and inspires them to do publications. They discuss the thrust areas of research enabling them to channel their interest in research in the future.
