

1.2.1

ADDITIONAL INFORMATION

PDCH - CLINICAL SOCIETY

Clinical Society of Priyadarshini Dental College and Hospital stands as a beacon of interdisciplinary and interdepartmental knowledge-sharing forum. It is headed by a Chairperson who shall be in professor grade and assisted by a Vice Chairperson and five to eight members. Clinical Society conducts **interdepartmental/interdisciplinary** programs regularly (at least once in a month).

In these meetings, interesting clinical cases and/or preliminary research activities of the departments are presented and are open for critical acclaim and cumulative discussion among various departments. In each clinical society meeting, a minimum of three to four presentations are made with relevant clinical pictures or research methodologies. These presentations are done by the staff and CRI students. Clinical students, Interns and Faculty members attend the meeting. It is conducted on the 3rd Friday of every month. Alumni of PDCH can also attend the Clinical Society meetings.

The Clinical Society of PDCH remains dedicated in promoting excellence in oral healthcare through continuous learning. Interdepartmental and interdisciplinary meetings play a pivotal role in achieving these objectives, providing a platform for students and faculty members to engage, learn, and grow together. The topics facilitate meaningful interactions and exposure to the latest advancements or complicated clinical situations in dentistry creating a platform for shared insights.

COMPOSITION

- Chairperson : Dr. I. Paavai
- Vice- chairperson : Dr. B. Prem Karthick
- Members : Dr. V. Vasanth Ayswarya
- : Dr. Doddy Lokanathan Balaji
- : Dr. Sree Vidya. G
- : Dr. Gomathi. G. D
- : Dr. Surabhi Halder
