**PRIYADARSHINI**  
DENTAL COLLEGE AND HOSPITAL

(Approved by Dental Council of India, New Delhi & Affiliated to The Tamilnadu Dr. M.G.R Medical University, Chennai - 32.)

Mode of Learning: Experiential Learning

Course Name: Pre-Clinical Conservative Dentistry

Course Instructor: Dr. G. Sree Vidya

Topic: Class I Amalgam Restorations

The pre-clinical conservative exercises include cavity preparation of molars and premolars in typodont models and restoring them with amalgam restorations. This helps in understanding the handling of materials while restoring a tooth, various grasps and finger rests that can be used while operating in a patient.
