ROTARY ENDODONTICS 2019-20

REPORT

Department of Conservative Dentistry and Endodontics in Priyadarshini Dental College has organised a course on 14th and 15th October, 2019. The program had series of lectures followed by hands-on. The program focused on the topics in Rotary Endodontics and their role in Conservative Dentistry. The event started by 8.30 A.M and Dr. P. Anitha, Tutor commenced the event, welcoming all the attendees followed by Invocation, inauguration and felicitation. Some of the faculties, interns attended the program. Our Principal, Dr.S. Balasundaram addressed the gathering.

Dr. Jaya Ranganathan, Head of the Department, Department of Conservative Dentistry introduced the guest speaker. The course initiated with a guest lecture encompassing topics like root canal morphology, isolation techniques, access cavity preparation, diagnostic aids, and the utilization of apex locators by Dr. Rajaraman. During the first day, participants actively engaged in both lectures and hands-on sessions focused on access cavity preparation and the effective use of apex locators. On the second day, the program continued with lectures covering essential armamentarium, cleaning and shaping procedures, advanced irrigation techniques, rotary instruments, and obturation methods. Attendees also gained practical experience through hands-on sessions in rotary endodontics and obturation.

The session was followed by panel discussion and questions from the participants were answered by our guest speakers. At the end of various lectures and hands on, course assessment was conducted. Principal Dr. S. Balasundaram and Dr. V. Indira Priyadarshini presented the certificate of appreciation and memento to the guest speakers. Vote of thanks was delivered by Dr. R. Anjana Rajendran, who expressed his gratitude to patrons, speakers, organizing team and

GUIDE TO ROTARY ENDODONTICS 2018-19

REPORT

Department of Conservative Dentistry and Endodontics in Priyadarshini Dental College has organized a course on 17 th and 18 th September 2018. The program had series of lectures followed by hands-on. The program focused on the topics in Rotary Endodontics and their role in Conservative Dentistry. The event started by 8.30 A.M and Dr. R. Anjana Rajendran, Senior Lecturer commenced the event, welcoming all the attendees followed by Invocation, inauguration and felicitation. All the faculties, interns attended the program. Our Dean, Dr. M.K. Venkat Prasad, addressed the gathering. Dr. Jaya Ranganathan, Head of the Department, Department of Conservative Dentistry introduced the guest speakers. The course initiated with a guest lecture encompassing topics like root canal morphology, isolation techniques, access cavity preparation, diagnostic aids, and the utilization of apex locators by Dr. A. Sandhya and Dr. R. S. Mohan Kumar. During the first day, participants actively engaged in both lectures and hands-on sessions focused on access cavity preparation and the effective use of apex locators. On the second day, the program continued with lectures covering essential armamentarium, cleaning and shaping procedures, advanced irrigation techniques, rotary instruments, and obturation methods. Attendees also gained practical experience through hands-on sessions in rotary endodontics and obturation.

The session was followed by panel discussion and questions from the participants were answered by our guest speakers. At the end of various lectures and hands on, course assessment was conducted. Dean and Dr. V. Indira Priyadarshini presented the certificate of appreciation and memento to the guest speakers. Vote of thanks was delivered by Dr. Lekha Priyadarshini, who
