RESEARCH COMMITTEE MEMBERS

Priyadarshini Dental College and Hospital has an eminent Research Committee that exposes students to various research activities and also guides them to pursue all kinds of research. The main objective is to make students familiarize with role of research, help them guide and motivate to pursue for the same. The committee meets periodically once in every three months. They conduct workshop, seminar, guest lectures to create knowledge and awareness of research in the students. They motivate students to implement novel ideas in the form of research, educate on applying for grants and inspire to do publications. They discuss the thrust areas of research enabling them to channelize their interest of research in future.

PUBLICATION COMMITTEE MEMBERS

Publication committee of PDCH is responsible for overseeing the production and dissemination of various publications, such as newsletters, magazines, and yearbooks. This committee typically consists of students and faculty members who work together to ensure that the publications accurately represent the college and its values. They may also be responsible for soliciting submissions from the college community, editing content, and determining the overall layout and design of the publications. The committee's goal is to produce high -quality, engaging publications that inform and entertain the college community and beyond.
