PDCH - OHD program 2022

INTRODUCTION:-

Oral hygiene day is celebrated on 1st August of every year on account of birthday of a renowned pioneer periodontist **Dr G B Shankwalker**. "Indian Society of Periodontology" initiates and motivates celebrating oral hygiene day, every year by periodontics department of all national Dental Colleges. This year ISP has instructed all the dental colleges to celebrate oral hygiene day throughout the month.

But owing to the uncertainty and unsafe situation due to COVID-19 mass gatherings and camps are requested to be avoided in the letter from ISP. After the ISP instructions, we campaigned and created awareness without major gatherings i.e., by *digital /audio visual mode*.

Two years back, we celebrated the Oral Hygiene Day targeting the Govt. officials. Dental screenings and camps were conducted in all major Govt. offices of Tiruvallur district, i.e., **District court, SP office collectorate and Govt. Hospital**. This effort was appreciated by ISP.

Our institution **Priyadarshini Dental College and Hospital (PDCH)** is located in Pandur village of a densely populated town Tiruvallur. The college is the only Dental College of Tiruvallur Municipality.

The current year we decided to focus on large crowds, of ranging from low to high socioeconomic status through digital mode. In the Tiruvallur district the public are commonly densely seen visiting major shopping complexes of Tiruvallur district such as **The Chennai silks, Arul Kumaran Textiles, Jai Shree Krishna Textiles and GRT Jewellers**. The Student, Faculty coordinated in blue and white outfit with uniform oral hygiene awareness badges and so targeting major shops and supermarkets campaigning activities were split into seven major ways:-

1. Video preparation pertaining to oral hygiene awareness.
2. Various games and activities pertaining to oral hygiene awareness.
3. Floss dance with the public.
4. Display of videos in major shops.
5. Video campaigning through portable monitors throughout the district.
6. Awareness among op patients of PDCH.
7. Awareness through social media and celebrities.

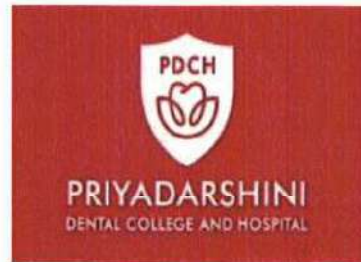

1. Video preparation:-

A total of 5 videos are created pertaining to oral hygiene day and oral hygiene awareness.

2. Games and activities pertaining to oral hygiene awareness:-

To easily reach the public without mass gatherings, and to improve one on one interaction with public on creating awareness we conducted various games and activities, such as:-

- a. Spin the wheel
- b. Balloon bursting
- c. Chit board
- d. Celebrity hunt

All the game content, pictures and boards were hand-made and not the commercial ones.

- a. **Spin the wheel:** - The smiley selection on spinning the wheel contains que cards with questions pertaining to oral hygiene instructions on it.

- b. **Balloon bursting:** - A board containing balloons (carrying questions on oral hygiene instructions) were pasted on a dart board. Public were asked to burst a balloon and pick the chit and answer it since the ISP has insisted to create awareness on dental hypersensitivity this particular game was completely focused on it.

d. **Celebrity hunt**:- A bunch of que cards carrying famous celebrity names were shown to public as they select a card, they will be questioned by the doctors.

In this way the public will be questioned by our doctors, pertaining to questions on oral hygiene awareness.

Whoever answers correctly were awarded with small gifts and smiley badges.

3. **Floss dance at shops**:-

To create awareness in a fun way, our students and faculty members taught floss dance to the customers and staff of various shops and made them dance and gifted them with smiley badges.

4. Display of videos in major shops:-

The videos prepared were displayed on huge monitors in every floor of the shops benefitting the staffs and customers.

Additionally the videos were displayed on wide LED screens outside the shop, to benefit not only the staffs and customers of the shop, but also to benefit the general public walking by on the roads crossing the shop.

5. Video campaigning through portable monitors, throughout the district :-

- The Department of Periodontology was decorated with various balloons and tails with hanging stickers on oral hygiene aids and tips.
- A oral hygiene selfie booth was created.

- The videos were displayed in the Department and the patients were educated after this they were asked to participate in various oral hygiene awareness games and activities.
- The winners were awarded with smileys and pictures were taken in selfie booth.

7. Awareness through social media and celebrities:-

Finally to enlarge the awareness outside the Tiruvallur district, the social media was the weapon.

- i) A separate Instagram page was created with posts on oral hygiene awareness videos and programs.
- ii) Various celebrities of national TV and Cinefield were asked to post videos having short message on oral health awareness created by Priyadarshini Dental College and Hospital. They additionally posted stories sharing our videos helping to reach over lakhs of people following them.

Conclusion:-

With the note through various *digital / audiovisual advancements*, the oral hygiene awareness was spread to various groups of population of Tiruvallur district through local campaigning, games, activities and videos. Also awareness for over **2 lakhs of people** was created with help of **celebrities** and

WORLD CANCER DAY 2021

REPORT

World Cancer Day is an international day marked on 4th February to raise awareness of cancer and to encourage its prevention, detection, and treatment. The 2019-2021 campaign theme is 'I Am and I Will'. The theme seeks to counter the negative attitude and fatalistic belief that nothing can be done about cancer, and instead promotes how our personal actions can be powerful and impactful. On 4th February 2021 the students of Priyadarshini Dental College & Hospitals joined the rally organised by IDA Madras branch and Rotary club.

**A PROACTIVE INITIATIVE TO PUBLIC BY CHAIRMAN, PRIYADARSHINI DENTAL
COLLEGE AND HOSPITAL**

REPORT

17.09.2020

In response to the unprecedented challenges posed by the COVID-19 pandemic, Chairman of our institution Thiru. V G. Raajendran undertook a compassionate and proactive initiative to support the vulnerable members of our community in securing their basic needs. Recognizing the economic hardships faced by many during these trying times, the Chairman spearheaded a comprehensive program to distribute groceries and rice bags to those in need. The impact of this initiative extended beyond immediate relief, leaving a lasting legacy of compassion, solidarity, and resilience within the community.
