Subject: Request to establish a dental clinic in our community
centre – regarding

Respected Sir,

We, from Udhavum Nanbargal are running a community centre at Alathur Village in collaboration with many speciality organizations. We would like to collaborate with your esteemed institution and request you to establish a dental clinic in our community centre. Our aim is to promote oral health awareness and provide basic dental care services to the community.

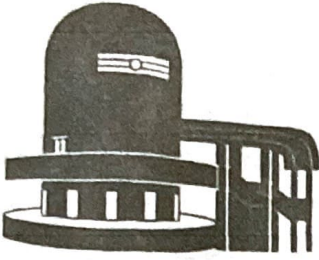

We are keen to collaborate with your institution as we believe that together we can reach out to a larger audience and make a more significant impact. We are also open to discussing any specific requirements or preferences you may have regarding the organization and execution of the same. Anticipating a positive reply from you.

Yours Sincerely

(T.R. Arora)

Pandur,
Thiruvallur District

Chinmaya Mission, Thamaraiakkam has a free medical centre in the name of Ananth Charitable Medical Centre since 1989 established by Pujya Swami Chinmayananda.

The centre has a visiting physician and physiotherapist on a daily basis from Monday to Friday. We have eye camps conducted by Shankara Eye hospital for cataract and other eye diseases. We also have regular camps for diabetic patients.

We would now like to include a dental clinic where there can be regular check-up conducted and treatments done for dental health of the rural community. We like to mention that we also have a dental chair installed in our premises.

We would like your support and help by way of visiting dentists to our medical centre.

Happy to discuss further and decide further details.

Looking forward to working with you.

Thanking you and Best regards

Yours faithfully,

V. Anunachalam.
