(Approved by Dental Council of India, New Delhi & Affiliated to The Tamilnadu Dr. M.G.R Medical University, Chennai - 32.)

The mentorship program on – HOW TO CRACK NEET, the overall assessment was put forth using feedback forms collected after the program from interns and final year students.

The feedback forms were assessed in the criteria on resourcefulness, clarity, audio-visual and overall program. After evaluating the overall feedback the time management of the session seem to be deficient.

The drawbacks in the overall program were discussed and the time duration and program timing were changed for the upcoming programs.

Chairman of the mentorship committee requested the committee members to present the resource persons for the next program (RESEARCH AS A CAREER) after discussing with the interns.
