

5.2.3 Percentage of the batch of graduated students of the preceding year, who have progressed to higher education (data for the preceding academic year)

## PRIYADARSHINI DENTAL COLLEGE AND HOSPITAL

(Approved by Dental Council of India, New Delhi & Affiliated to The Tamilnadu Dr. M.G.R Medical University, Chennai - 32.)

### STUDENTS PROGRESSED TO HIGHER EDUCATION

Priyadarshini Dental College and Hospital (PDCH) is a pioneering institution dedicated to facilitating students aspiring to pursue both undergraduate and postgraduate education in the field of dentistry. Each year, numerous students graduate from our institution, with some entering clinical practice, while the majority furthers their education. After completing their undergraduate program, the Bachelor of Dental Surgery (BDS), they sit for the NEET exams and secure placements for the Master of Dental Surgery (MDS) program. Many of our alumni have successfully obtained postgraduate positions in dental colleges throughout India. These accomplished alumni have not only excelled in competitive exams but have also achieved top ranks.

As the MDS is the highest dental degree in our country, many graduates choose to either enter academia or embark on a career in clinical practice. A few opt to pursue a Ph.D. in their chosen field within colleges and universities of their preference. Our institution provides comprehensive support to all students seeking higher education in various ways.
