ACADEMIC INTEGRITY PANEL

This committee is formed to prevent the act of plagiarism and other academic and research dishonesty among the students and faculty of the Priyadarshini Dental College and Hospital. The goals of the academic integrity panel are to raise awareness of the proper conduct of research and publication, to support academic integrity, to forbid plagiarism in academic writing or presentations, and to develop procedures to identify, stop, and punish those who engage in such behavior.

ANTI-RAGGING COMMITTEE

As per UGC regulation, and other statutory bodies an Anti-Ragging Committee and Anti-Ragging Squad have been constituted in Priyadarshini Dental College and Hospital to help and guide the students to eradicate Ragging in any form in all strategic places including college and Hostel premises. Anti-ragging awareness boards are placed at 3 places on the campus, along with contact numbers to help students attend to any ragging issues promptly. A complaint box is also placed where students can put forward any ragging issues happening on the campus. The address and communication number of the anti-Ragging Committee members and Squad members are furnished below for immediate complaint by the students

CLINICAL SOCIETY

The Clinical Society meeting is an interdisciplinary forum to present the clinical cases and/or preliminary research activities of the institution. It provides an opportunity for the staff/student to present interesting and rare case reports, short research, pilot studies, etc that are later open for critical acclaim and cumulative discussion among various departments. In the clinical society meeting, a minimum of three to four presentations are made with relevant clinical pictures or research methodologies. The scientific presentation is done by the staff and CRI students. Clinical students, Interns and Faculty members attend the meeting. It is conducted on the 3rd Friday of every month. 10 to 12 clinical society meetings are held in a year. Alumni of PDCH can also attend the Clinical Society meetings.

DENTAL EDUCATION UNIT(DEU)

The DEU acts as a platform for faculties of all departments to develop their skills in teaching. The objective of DEU is not only teaching but also mentoring, assessment systems, curriculum designing, etc. Apart from training faculty DEU also involves organizing CDE programs, faculty development programs and various scientific and research activities. It helps in the implementation of curriculum activities in different phases of teaching and learning activities of the institution. The DEU keeps track of the teaching-learning process of the institution such as the preparation of lesson plans, assessments and evaluations with importance given to student feedback in response to various teaching programs delivered by various departments.

Composition:

Chairperson: Dr. A. Jayasenthil, HOD & Professor, Department of conservative dentistry.

FINANCE COMMITTEE

The Finance Committee provides financial analysis, advice, and oversight of the organization's budget. Their sole responsibility is to ensure that the organization is operating with the financial resources needed to provide programs and services to the community.

The finance committee of PDCH has been constituted under the guidelines of PDCH Governing Council. It looks after the accounts and finance matters of PDCH.

It is responsible for the budgeting and preparing the income expenditure statement for the particular financial year. It suggests the Governing council and other committees regarding the fund / resource mobilization and financial status.

It is headed by the Chairman, who shall be a registered Chartered accountant and assisted by other office bearers, who are the faculty members of PDCH, with external experts.

GENDER SENSITIZATION AND EQUITY COMMITTEE

To benefit both men and women by giving them wider choices and opportunities equally without any discrimination, the Gender sensitization and Equity committee was established in the year 2012. The committee is committed to creating a campus free from discrimination, harassment, retaliation, or sexual assault at all levels. It displays the penalty and consequences of sexual harassment in notice boards and makes all the sections of the institutional community aware of the information for redressal of complaints of sexual harassment, contact details of the members of ICC, complaints procedure, and actions.

INSTITUTIONAL ETHICAL COMMITTEE

Ethics is a branch of philosophy that "involves systematizing, defending, and recommending concepts of right and wrong." Research ethics are relevant to any field of study that conducts experiments on humans or animals, such as the social sciences and medicine. The committee analyses the various research proposals, and their ethical issues and then approves for the further proceeding of the research. Annually four meetings will be conducted.

INSTITUTIONAL GREEN COMMITTEE (IGC)

Environmental consciousness of PDCH is unveiled by the creation of Institutional Green committee (IGC), with an aim to implement various forms of energy conservation, usage of renewable sources and to maintain natural habitat to its best. Fossil free vehicle like bicycles and battery operated vehicles are only allowed inside the campus. The aim of this committee is to create a pollution free atmosphere, green community and to address the ever rising global warming. It emphasizes on incorporating advanced technology for minimal loss of natural resources. PDCH has a well maintained rain water harvesting system and a solar panel.

NATIONAL SERVICE SCHEME (NSS)

NSS is a voluntary and value-based student youth program, is one of the major youth schemes being operated in the Ministry of Youth Affairs & Sports. The Scheme was launched with the primary objective of developing the personality and character of the student youth through voluntary community service. It was launched on 24th September 1969, during the birth centenary celebration of our father of our nation, Mahatma Gandhi. The NSS unit of PDCH along with YRC unit collaborates with The Tamilnadu Dr.M.G.R.Medical University, Chennai to conduct voluntary blood donation camps in our institution. It also celebrates various commemorative days like World environment day, World no tobacco day, World cancer day, etc., to spread awareness in the society.

PARENT TEACHER ASSOCIATION (PTA)

The responsibilities of students after the parents majorly lie on the teachers. PDCH has a PTA that meets twice a year to discuss both academic and attendance progress. Teachers analyze and discuss the progress and other activities of the students. In the case of slow learners, specific attention and ways to improve their performance is updated to the parents.

PDCH LIBRARY COMMITTEE

The library committee plays a vital role in ensuring that the college library is well- maintained, well stocked, and well-used by the college community. It helps to ensure that the library is providing the resources and services that students, faculty, and staff need to succeed in their academic pursuits.

1. The committee reviews requests for new books, journals, and other materials and makes recommendations to the college administration for acquiring them.
2. It is responsible for maintaining and updating the library's collections to ensure that they remain relevant and useful to the college community.
3. It regularly evaluates the quality of library services and makes recommendations for improvement to ensure that the library is meeting the needs of the college community.

PUBLICATION COMMITTEE

Publication committee of PDCH is responsible for overseeing the production and dissemination of various publications, such as newsletters, magazines, and yearbooks. This committee typically consists of students and faculty members who work together to ensure that the publications accurately represent the college and its values. They may also be responsible for soliciting submissions from the college community, editing content, and determining the overall layout and design of the publications. The committee's goal is to produce high -quality, engaging publications that inform and entertain the college community and beyond.

PDCH PLACEMENT GUIDANCE CELL

This cell outlines the steps and procedures to support students in their career placement efforts. The policy may include the following elements:

1. Career counseling and guidance: The placement cell may provide individual Career counseling sessions to help students identify their interests, skills, and career goals and develop a job search plan.
2. Job search assistance: The cell may provide students with information on job opportunities, resume writing tips, and interview preparation. They may also assist with the application process and connect students with potential employers.
3. Collaboration with employers: The placement cell may work with employers to identify their hiring needs and match them with suitable students from the college.

RESEARCH COMMITTEE

Priyadarshini Dental College and Hospital has an eminent Research Committee that exposes students to various research activities and also guides them to pursue all kinds of research. The main objective is to make students familiarize with the role of research, help them guide, and motivate them to pursue the same. The committee meets once every three months. It conducts workshops, seminars, and guest lectures to create knowledge and awareness of research among the students. It motivates students to implement novel ideas in the form of research, educates them on applying for grants, and inspires them to do publications. They discuss the thrust areas of research enabling them to channel their interest in research in the future.

INCUBATION AND INNOVATION CELL (IIC)

The primary goal of PDCH-IIC cell is to inspire, encourage and nurture the young students for different activities involved in pre-incubation, incubation, encourage them for innovations and making a successful startup.

They aid in collaboration and networking with external organizations for academics, research and innovation. PDCH-IIC has 51 functional MoUs with contributions.

Apart from this, it motivates the students and the faculty members to apply for various local and national grants. Further this innovation and incubation center aims to transform clinical research into reality. The future aim is to enhance the research and development role of the institution and to establish collaboration with national/international research forums.

ALUMNI ASSOCIATION

Priyadarshini Dental College and Hospital (PDCH) desires to stay connected with its former students, since it strongly believes, learning is a lifelong process and it never ends with the college. PDCH strives to educate its students even beyond its boundaries and helps update their knowledge and skills. Further, it likes to utilize the professional experience gained by its alumni for the betterment of the students who are studying in the college presently. Since a successful alumnus is an asset to the institution, PDCH likes to transfer their academic resources, and professional experience to the present students who would benefit more from the alumni for their future endeavors. With the above aim and objectives, Priyadarshini Dental College Alumni Association was established in 2012.

PDCH STUDENTS COUNCIL

The Student Council plays a vital role in our institute, dedicated to representing and addressing the needs and concerns of the student community. Their duties encompass advocating for student interests within the institute's administration, staff, and parent community, ensuring students are well-informed about relevant matters, and assisting in resolving challenges faced by them. The council actively seeks input and feedback from students, plans and executes educational and recreational events, collaborates in developing educational initiatives, and promotes them among students. Additionally, they acknowledge and appreciate the contributions of students involved in institute activities, propose initiatives to enhance the overall quality of life, and foster positive relationships with staff members and parents.

PDCH Student council is headed by President and assisted by the Secretary and members. The other office bearers include Vice President, treasurer, and reporter.

Student Council President

The President serves as the official representative for various meetings and coordinates communication between staff coordinators and the task force, identifies and addresses student problems, supervises elected members, and call for and presides over council meetings.

Vice-President

The Vice-President supports the President, coordinates council member activities, and presides over meetings and other proceedings in the absence of the President.
