### MINIMAL INVASIVE APPROACHES IN DENTAL PRACTICE

#### REPORT

The Dental education unit and Mentorship Committee of Priyadarshini Dental College and Hospital emphasizes that the students and faculty members get oriented towards the use of advanced technologies in the field of dentistry. This attributes to conducting faculty development programs on regular basis in our institution. One such fascinating lecture was presented on May 30<sup>th</sup> 2023 by Dr. Anjana Rajendiran, Reader, Department of Conservative and Endodontic dentistry on the topic

“Minimal Invasive Approaches in Dental Practice”.

The program commenced with a tribute to the goddess. Dr. Anitha, Tutor, Department of Oral medicine and Radiology, welcomed the gathering. The resource person was introduced by Dr. A Jaya Senthil, DEU, and felicitated by Dr. B. Sivapathasundharam, Principal.

The guest speaker gave an insightful presentation on how to preserve natural tooth structure as much as possible while still effectively treating dental issues.

Dr. Veerakumar, Vice Principal presented the chief guest the certificate of appreciation and memento was given by Dr. Vijay Adhith, Professor and Head, Department of Orthodontics and Dentofacial Orthopaedics. The vote of thanks was mentioned by Dr. Vijayalakshmi, Lecturer, Dept of Oral and Maxillofacial surgery. The program was concluded by rising up for the National Anthem.

## Faculty Development Program on NEP20

On behalf of the IQAC and Dental Education Unit of Priyadarshini Dental College, a Faculty Development program on "National Education Policy 2020 (NEP20)" was conducted on 12th May 2023. Dr Rejina Joel, Principal Indira College of Education was the resource person. Mr Angayar Kannan, CEO, Indira group of Education presided the program. Dr B Sivapathasundharam, Principal, PDCH delivered the welcome address.

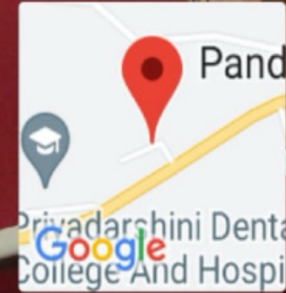

All the hits and misses of the NEP 20 were presented by Dr Rejina Joel in detail. After her presentation a brief hint on State Education Policy was given. An interesting discussion was held, with importance of medium of learning during the foundation stage of NEP 20. Dr B Sivapathasundharam insisted on learning through mother tongue and quoted Japan, China and Korea, where the education and all communications are in their mother tongue. Mr Angayarkannan in his address mentioned the advantages of learning English, since it is a language of innovation and creativity, in the field of science, technology and business. Further he explained that it is more flexible language with more range of vocabulary and many different ways to express a same idea. Like TAMIL it is a language of literature and culture with rich history of great writers and poets.

The program concluded with the vote thanks by Dr Anjana, Reader, Department of Conservative dentistry.

**EVIDENCE BASED DENTISTRY**

**REPORT**

Faculty development Program on Evidence Based Dentistry (EBD) was organized by the Dental Education Unit of Priyadarshini Dental College and Hospital on 22/01/2020. Dr. C. Vijayadith, MDS, Professor, Department of Orthodontics and Dentofacial Orthopedics, Priyadarshini Dental College & Hospital was the resource person. The program was invocated with Tamil Thai vazthu.

Dr. Ashok Pothuri, senior lecturer, Department of Orthodontics and Dentofacial Orthopedics gave welcome address followed by the lecture on "EVIDENCE BASED DENTISTRY" by Dr. C. Vijayadhith. Resource person dealt with the importance of use of current best evidence in making decisions for efficient patient care. Further he elaborated on the hierarchy of evidence, ranging from systematic reviews to meta-analyses. Tools and frameworks for critically appraising scientific literature were introduced to the faculty. Practical aspects of implementation of EBD in day to day clinical practice have been discussed. At the end he also emphasised on the challenges and limitations of EBD and how to minimize them.

Interactive sessions were designed to bridge the gap between theory and practice. Participants were given a clinical scenario and discussed on how to apply EBD principles in taking best decisions for efficient patient care. Principal, Dr. S. Balasundaram presented the certificate of appreciation to Dr. C. Vijayadith. Dr. Sakthi Sree, Department of Orthodontics and Dentofacial Orthopedics, proposed the vote of thanks.
