WORKSHOP ON BASICS IN SPSS SOFTWARE

REPORT

Dental Education Unit of Priyadarshini Dental College conducted a workshop on SPSS software on 12th February 2019. The workshop was attended by the Dean, Heads of the Department, Faculty members and CRI students of Priyadarshini Dental College & Hospital.

The workshop began with Tamizh Thai Vaazthu. Dr. R. Ganesh, Reader, Department of Public Health Dentistry introduced the resource person of the session Dr. Shyam Sivasamy,

Reader, Department of Public Health dentistry, Meenaakshi Ammal Dental College.

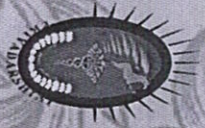

A lecture was delivered on Basics in SPSS software. The main objective of the program was to provide basic knowledge regarding SPSS software to the faculty members and interns and also to provide training on how to perform important statistical calculation using SPSS software. He also taught about Descriptive statistics, regression analysis, Chi square test, T- test and ANOVA. After the presentation, the topic was open for discussion among the staffs and the students.

Later Dr. M. K. Venkat Prasad, Dean., felicitated the resource person with the certificate as a token of appreciation. Dr. S. Balasundaram, delivered the vote of thanks. The program was concluded with National Anthem.

HAPTIC SENSORS IN DENTISTRY

REPORT

Dental Education Unit of Priyadarshini Dental College conducted a workshop on Haptic Sensors in Dentistry on 16th August 2019. The workshop was attended by Dr. S. Balasundaram, Principal, Heads of the Department, Faculty members and CRI students of Priyadarshini Dental College and Hospital.

The workshop began with Tamizh Thai Vazhthu. Dr. S. Balasundaram, Principal and Chairperson DEU, introduced the resource person of the session Dr. Abby Abraham, Prosthodontist and Implantologist.

This workshop explores the integration of haptic sensors in dentistry, focusing on their applications, benefits, challenges, and future prospects. Haptic sensors offer tactile feedback, enabling dentists to enhance precision, improve patient outcomes, and streamline procedures. He also discusses various aspects of haptic sensor integration, including sensor types, technological advancements, integration techniques, and potential barriers.

This workshop aims to provide a comprehensive overview, offering valuable insights for dental professionals, researchers, and industry stakeholders interested in leveraging this technology to improve patient care and clinical outcomes.

Later Dr. M.R.C. Rajeswari, Professor, Department of Oral Pathology, felicitated the resource person with the certificate as a token of appreciation. The program was concluded with National Anthem.

DIGITAL DENTISTRY -3D PRINTING

REPORT

Dental Education Unit of Priyadarshini Dental College conducted a workshop on Digital Dentistry -3D Printing on 9th December 2020. The workshop was attended by the Principal, Heads of the Department, Faculty members and CRI students of Priyadarshini Dental College and Hospital.

The resource person for the workshop was Dr. S.V.M. Thirumurugan BDS, MSCR (F), MSC in Nano (UK). The topic for his lecture was Digital Dentistry – 3D printing.

In his discussion he highlighted on the key components of Digital Dentistry, which include Digital imaging, Computer Aided Design and Manufacturing (CAD/CAM), 3D-printing. He also shed some on the digital impressions which serve as a foundation for a CAD- CAM. He also added on its clinical implications in the field of Dentistry and its materials, recent technologies and the future scope of Digital Dentistry.

On conclusion, he added how digital dentistry revolutionizes traditional dental practices, offering a more precise, efficient, and patient-centered approach to oral healthcare through the integration of cutting-edge technologies. After the presentation, the Resource person was

VIRTUAL RPD DESIGNING

REPORT

Dental Education Unit of Priyadarshini Dental College and Hospital conducted a workshop on Virtual RPD Designing on 11th March 2022. The workshop was attended by the Dr. B Sivapathasundharam, Principal, Head of the department, Faculty members and CRI students of Priyadharsini Dental College and Hospital.

The workshop began with tamizh thai vazthu Dr. A. Jayasenthil, Chairperson, DEU introduced the resource person of the session Dr. K. Murugesan, Professor, Department of Prosthodontics and crown and bridge, SRM Dental college and Hospital, Ramapuram, Chennai. The main objective of the workshop was to provide basic knowledge regarding RPD Designing to the faculty members

and interns and also to provide training on how to perform a method to digitally survey and build virtual patterns for removable partial denture framework using a new three dimensional (3D) computer aided designing/computer assisted manufacturing(CAD/CAM) software package specifically for RPD Design. The procedure included obtaining 3D data from partially denture cast deciding on the path of insertion and modelling the shape of the components of the frameworks digitally.

At the end of the session Principal, felicitated the resource person with certificate as a token of appreciation. Dr. Doddy Loganthan Balaji, Senior Lecturer, Department of Prosthodontics and crown and bridge delivered the vote of thanks. The program concluded with National Anthem.

CASE PRESENTATION CONVENTION

REPORT

The Case Presentation Convention program aimed at encouraging the importance of case presentation amongst the students and faculties and also to provide a national platform for presentation of rare case reports was organized on August 12th and 13th 2022. A total of 144 delegates registered for the convention from 17 dental colleges participated from different states like Andhra Pradesh, Pondicherry apart from Tamil Nadu. The presentation was from eight specialties of dentistry that include Oral Pathology, Oral Medicine and Radiology, Periodontics, Prosthodontics, Oral Surgery, Conservative Dentistry and Endodontics, Pedodontics and Orthodontics. A total of 90 papers were presented in 10 sessions conducted on 2 days. 34 scientific posters were presented in 8 sessions separately. Out of 124 total presentations, 32 presentations were from the specialty of periodontics, 26 presentations from oral pathology, 18 presentations from conservative dentistry, 14 presentations from prosthodontics, 11 presentations from orthodontics, 10 presentations from oral surgery, 9 presentations from oral medicine and 4 presentations from pedodontics respectively.

The inauguration function was presided by Chairman V.G. Raajendran, Managing Director Mrs. Indira Raajendran, Guest speaker Dr. Deshpande Ashwini Suresh, Organizing Chairman Dr. B. Sivapathasundaram and Vice Principal Dr. R. Veerakumar. The first day of the convention five paper sessions and two poster sessions were organized. Second day comprised of 6 paper and 6 poster presentations. All scientific sessions were judged by one internal and one external chair person. Total of 12 external chair persons judged 10 paper and 8 poster sessions. A total of 11 best paper and 6 best posters were awarded in the valedictory function that was on 13th August 2022. The complete program was organized by

Dr. A. Jaya Senthil, Professor and Head, Department of Conservative Dentistry and Endodontics. MC was Dr. R. Yamini. Tamil Thai Vazhthu and National Anthem was sung by Ms. A. Sangavi and Ms. E. Elakkiya, CRIs. Picture Courtesy was given to the Technical Team.

The National Dental summit is aimed to express and discuss the latest developments, trends and challenges in the field of dentistry among Dental students, Dental professionals, Researchers and Dental Educators. The purpose of this Summit is to bring together professionals in the dental community to share knowledge, network and collaborate to advance the field of dentistry.

With an impressive lineup of keynote speakers, presentations and interactive sessions, the summit is designed to be both educational and enjoyable.

Don't miss out on this unique opportunity to participate and update yourself with latest developments in the field of dentistry. The summit is going to be an unforgettable experience.

Organizing committee
PDCH

Highlights

- Keynote speakers- experts in the field of Dentistry to share their knowledge and experiences
- Scientific sessions - Paper and Poster presentations on the latest in research and advancements in the field of Dentistry
- Networking Opportunities- the attendees can connect and communicate experts in the field of Dentistry and exchange ideas and information
- CDE credits - the attendees can earn Tamilnadu State Dental Council CDE credits by attending conference scientific sessions

PRIYADARSHINI DENTAL COLLEGE AND HOSPITAL

(Approved by Dental Council of India, New Delhi & Affiliated to The Tamilnadu Dr. M.G.R Medical University, Chennai - 32.)

lectured on “Recent trends in Prosthodontics”. Dr. N. Vivek, Dean, Professor and Head, Department of Oral and Maxillofacial surgery, SRM Kattanguluthur delivered a lecture on “Systemic Evaluation of Dental Patients”. Dr. N. Sivakumar, Dean Accademics and Professor and Head, Department of Pedodontics, Narayana Dental College, Nellore lectured on “Communication skills”. The Chairman, Thiru. V. G. Raajendran, Indira Group of Educational Institution, graced the Valedictory session of National Dental Summit 2023, on 12th April 2023. Dr. Ramasamy, Vice Principal, Sri Venkateshwara Dental College and Hospital, President, TN State Dental Council, was the Guest of Honour and was felicitated by the Chairman.

The Conference includes 538 delegates from various states across the Nation. Participation from 20 dental institutes boomed the conference, out of 268 presentations, 162 were interesting paper presentations and 106 were exciting poster presentations for which 34 Chairpersons of respective departments struggled to narrow down the winners. There were 6 table clinics and the winning moment was experienced by the students of Sree Balaji dental college and hospital. The spotlight of the day was the Quiz which included 11 teams. The intellectual Quiz session was conducted by Dr. Joyson moses, Professor and Head, Department of Pedodontics. There were totally 4 rounds. Based on their scores, teams were narrowed down. 11 teams were in Preliminary round, 9 teams were in second round, 7 teams were in third round, out of which best of three was selected and finally Tamilnadu state Government Dental College won the intellectual battle. Overall 65 prizes were awarded to the winners of the respective competitions which motivated the students to do lot more in the upcoming conferences.

The students of Priyadarshini Dental College and Hospital are nowhere less in exhibiting their talents and participation, as PDCH was the host of the conference, the students were restrained from participating in the competition. The contribution of CRI volunteers has made this conference a humongous success.

The “National dental summit 2023” successfully ended with National Anthem
