Current status of Publication work of staffs

The Principal, Dr. B. Sivapathasundharam asked the Research Committee chairperson, Dr. I. Paavai about the current status of the research works. Dr. I. Paavai replied that the publication count is minimal for which Principal asked all the staff members to publish at-least two individual publications per year. He emphasised that it would be essential for the improvement of resume by increasing the research points. Everyone in the meeting agreed for it.

To organise programs related to research work

Dr. Jayasenthil, Professor and Head, Department of Conservative Dentistry and Endodontics, suggested to conduct various research related lectures and the idea was welcomed by other attendees. Principal insisted Dr. I. Paavai to organise one such program on writing for grants as soon as possible.

Principal instructed the faculty members to have a regular check on ICMR website for any new updates. He further added to encourage students to do more short term studentship projects as ICMR welcomes innovative ideas from young aspiring minds. He also reminded to publish the research papers in journals indexed in SCOPUS, PUBMED, Web of science and UGC care list.

Principal explained on plagiarism and how important it is to minimise plagiarism for the quick acceptance by the journals.

Principal directed Dental education unit to organise a faculty development program on Predatory publication which might be an eye-opening session for many researchers.

As college is working towards NAAC, Principal insisted the staff members to proceed for National Institutional Ranking Framework (NIRF) in the near future. He also said that all the staff members need to be oriented towards NIRF . He also asked Dr. Ganesh, IQAC co-ordinator to organise a orientation program on NIRF.

Any other matter

Principal constantly warned the staff members not to use mobile phones during OP hours. Dr. C. Vijayadhith, Professor and Head, Department of Orthodontics requested to allow the usage of mobile in the staff room. Dr. Veerakumar, Vice Principal, requested Principal to make necessary arrangements for land connection for which the Principal retorted that the proper network connections will be arranged after a discussion with the management.

Dr. R. Ganesh introduced the Registrar, Mr. Chidambaram to the members of the meeting. Criteria, Key Indicators and metrics were projected as PowerPoint slides. Criteria in-charges were asked to clarify their doubts from the resource person.

Mr. Chidambaram asked whether governing council was formed and functional in our institution. The Chairperson IQAC replied that the governing council was formed long back and it is fully functional. The resource person also advised to prepare the list of the events chronologically for the past five years and document it before initiating the paper work for NAAC. Chairperson IQAC replied that the system of documentation for all the events and programs conducted in PDCH is already in practice. He also gave new ideas regarding the preparation of circulars with agendas and also emphasised on recording the minutes of the meeting and documenting.

The Chairperson IQAC asked regarding the best practices key indicators to the resource person. The resource person explained that social extension activities and tobacco cessation clinic were shown as best practices in his institutions.

The resource person asked about the MOUs signed by the college. The Chairperson IQAC and Dr. I. Paavai, chairperson of the Research committee explained the MOUs signed with various institutions. He asked to have MOU with any industry.

The resource person inquired about the Institutional Ethical Committee. Dr. M. R. C. Rajeswari, Member secretary of the PDCH Ethical Committee explained about the functions of the committee. He asked to have one person in the committee as an external expert. The Chairperson IQAC told that the committee has an external expert and the committee has been formed according the ICMR guidelines.

The resource person asked about the existing Committees in the college. Dr. R. Ganesh listed out the names of the various committees of PDCH. Mr. Chidambaram asked to have separate cubicles for each committee in a single large room with sign boards.

The resource person suggested to have more number of solar lights, rain water harvesting for optimum utilisation of renewable energy inside the campus. The Chairperson IQAC discussed about the energy audit which needs to be conducted in the institution.

Resource person advised to conduct CDE programs henceforth in one common room with uniform banner behind and to take geo tagged photos.

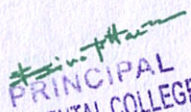

The resource person inquired about the publications done by the faculty members and suggested to have Research Advisory Committee. He told that NAAC approves publications, which are Scopus, Pubmed, UGC Care list and Web of science indexed. He advised to mention the affiliation for publication with a uniform name *i.e.*, "Priyadarshini Dental College and Hospital".

He also asked about the conduction of any international Conferences. Dr. R. Ganesh and Dr. R. Veerakumar replied that they had conducted an international conference, 'PPP INC-19' together in PDCH in the year 2019. The Chairperson IQAC informed that a national level **Case Presentation Convention** was successfully conducted by our institution during the month of August 2022 and there is a proposal to conduct a multispecialty National conference during the month of April 2023.

The resource person inquired about the various social extension activities done by our institution. He asked to get an acknowledgement/appreciation letter from the village heads for conducting camps. He also suggested to plant tree saplings in the college premises by the resource persons coming to our college for any programs. The resource person advised to maintain the records of the anti-ragging committee.

The resource person asked to prepare a budget and to have a systematic balance sheet approved by a chartered accountant, for all the programs for its income and expenditure.

Finally he also suggested having a meeting with Dr. Mathangi, Sri Ramachandra Higher Education and Research (Deemed to be University) to have better orientation towards NAAC.
