Dr. A.K. Thahernunissa hosted the program for a duration of 3 hours, from 10:30 AM to 1:30 PM. The session covered the importance of PCOD and its worldwide prevalence, discussing its manifestations in women, highlighting the challenges of late-stage diagnosis, and emphasizing the significance of personalized treatment plans. Dr. A.K. Thahernunissa also emphasized preventive measures, including a healthy diet, regular exercise, maintaining proper weight, stress management, routine medical checkups, and dietary supplements. Additionally, she addressed the emotional and psychological impacts faced by women, encouraging students to educate themselves and seek support from healthcare professionals if needed.

As a symbolic gesture, plant saplings were given to all male staff, and a cake cutting ceremony marked the conclusion of the event. Dr. I. Paavai, chairperson of ICC and the Women Empowerment Cell, extended her gratitude and appreciation to the resource person with a certificate and a memento. The program concluded with the National anthem.

. Dr. T. Pragathi, tutor, Department of Prosthodontics delivered the welcome address and introduced the speaker. The session spanned a comprehensive two-hour duration.

All the staffs and students of Priyadarshini dental college and hospital were present. The meeting began with Tamizh Thai Vaazhthu. Dr. T. Pragathi, tutor, Department of Prosthodontics delivered the welcome address and introduced the speaker. The session spanned a comprehensive two-hour duration.

During this informative seminar, attendees were equipped with essential knowledge concerning the diverse risk factors associated with cervical cancer, nuanced diagnostic methodologies, identifiable signs and symptoms, preventative measures, and effective treatment options.

Dr. G. Mohana Priya emphasized the paramount significance of HPV vaccination for females, shedding light on its pivotal role in preventing cervical cancer. Participants gained a holistic understanding of the ailment, its various facets, and crucial preventive measures, thereby empowering them with valuable insights for proactive health management.

In recognition of her significant contributions, Dr. M. K. Venkat Prasad and Dr. S. Loganathan felicitated the speaker with memento and certificate as a token of appreciation. This gesture symbolized gratitude for her valuable insights and support.
